

2026 PRICE FREEZE!

December 2025

To all our valued Customers,

We would like to thank you for your business and your continued support throughout 2025.

We appreciate the challenges you face operating your facility with ever increasing costs, especially in recent years. With that in mind, Complete Leisure has focused on our supply chain management, as a result were delighted to announce in December 2024 that most chemicals, water testing and stock accessories would not increase in price, and that chlorine would incur only a minor review in line with the market. We saw this commitment through, and were delighted to ensure price stability for you throughout the year.

We have continued to focus on supply chain management, as a result we are delighted to announce a total price freeze moving into 2026! This equates to the 2nd consecutive year of no price increases for most of our products!

Not only that, our 2026 catalogue is currently being published, and will feature lots of new and exciting products including budget alternatives to some of our most popular items.

Here is a review of 2026 pricing:

hth® and chlorine based products	: Current '2025' prices guaranteed until at least Q3 2026.
Water Treatment Chemicals	: No Price Increase!
Water Test Reagents	: No Price increase!
Accessories (pool equipment, leisure, & retail)	: 2026 Complete Leisure catalogue with no price increases!

In 2026, we are committed to further range expansion, stable pricing & unbeatable service.

In the meantime we would like to thank you again for your loyal custom, and wish you a Merry Christmas and a Happy New Year.

Yours Sincerely,

Steve Ross

And all the Complete Leisure Team.

2026 Wallplanners
available now!

All of us at Complete Leisure would like to wish you a very Merry Christmas.
We would like to sincerely thank you for your support throughout the year.

2025 has been another challenging, but fantastic year for the Pool & Leisure Industry, we are delighted to have been part of your success.

Here are some of our highlights this year.

Complete Leisure Catalogue

In early 2025 we launched the Complete Leisure catalogue featuring our huge range of products with a focus on 'in stock for fast delivery' products. Throughout the year we added loads more products and published 2 further updated catalogues. In the coming weeks our 2026 catalogue will be published, it will be even bigger and better!

Palintest Service Partner for Palintest

This year, Complete Leisure became the only Authorised Service Partner for Palintest water test instruments in Ireland. This means that instruments no longer need to leave Ireland for service or repair. Complete Leisure can handle fast turnaround for all Palintest sales, service, repair and recalibration with Palintest factory tools, parts & certification.

Ireland Active Supplier of the Year

In November, Complete Leisure were delighted to be voted as Ireland Active Supplier of the Year at the Ireland Active conference. We would like to thank all our loyal customers, and Ireland Active members for this great honour.

Warehouse 4

In July, the increasing popularity of our catalogue, and the huge growth in new products meant more space was needed. We expanded in to our 4th Warehouse, giving us more room to stock the products you want quickly.

Complete Leisure is committed to being a responsible and caring company. It has become a proud tradition for Complete Leisure to donate to the Simon Communities of Ireland at Christmas. We offer this support to Simon on behalf of our customers in lieu of corporate gifts. This year marks the 17th successive year of support for Simon. In addition, we will also be making a donation to Laura Lynn, this is our 2nd consecutive year supporting Laura Lynn. We want to thank all our customers, because without you this would not be possible.
